EverBright EcoMax - clean energy, zero guilt

CARBON-NEUTRAL solar panels for a greener tomorrow!

Certified green: SIRIM Eco-Label ECO-SL-4410.

Cell technology: p-type mono PERC, 144 half-cut cells
Rated power: 550 W
Module efficiency: 21.3%
Temperature coefficient of Pmax: -0.35 %/°C
Annual degradation: 0.55% per year
Carbon footprint: approx. 300 kgCO2e per kWp (internal estimate)
Price: RM 255 per module
